

## REVIEWS FOR ANTARES VICTORY

### ★★★★☆ I liked this conclusion to the Antares series

I liked this conclusion to the Antares series. It had the same feel as the first two despite fifteen years between publishing the 2nd and 3rd books. [Read more](#) ▶

### ★★★★★ ANTARES VICTORY

Great book from an exceptionally good storyteller. The last installment of the series which began with Antares Dawn.

### ★★★★★ It was a great read all the way through

I just finished the last book in the series. It was a great read all the way through! Michael will definitely be an author that I am favoriting.

### ★★★★☆ Antares trilogy

Great space opera. Good conclusion to the trilogy. There is a nice twist at the end. Its worth the read.

### ★★★★★ Closure at last

I read all of Michael McCollum's books that were available in the early nineties. The second Antares book ended in a way that demanded more to the story, yet for years I never... [Read more](#) ▶

### ★★★★☆ Great Book - With good twist to end

I enjoy the last book in this series, Good battles, but also a twist to the end of the story.

### ★★★★☆ Great book!

Great final book in the Antares trilogy! I've never been a reader of fiction but enjoyed the entire series immensely.
